Pure space | Timeless design

BLANCA 60x120

Blanca | Pure space, timeless design

BLANCA

Super soft Matte | 4 Faces | R601

Blanca captures the timeless purity of white marble with delicate veining and a refined surface. Designed in 60×120 format, it enhances light, expands space, and creates an elegant foundation for both modern and classical interiors. Its versatility makes it a perfect choice for residential, commercial, and public environments where clarity and sophistication define the atmosphere.

Pure balance | Infinite versatility

LOMA LIGHT GREY
60x120

Loma | Pure balance| infinite versatility

LOMA

LIGHT GREY

Super soft Matte | 6 Faces | R604

This design captures the essence of modern minimalism through a soft, uniform light surface that radiates clarity and balance. Its subtle texture creates a refined yet understated backdrop, allowing architectural details and interior elements to take center stage. Ideal for spaces that demand both versatility and timeless aesthetics, it enhances natural light while providing a clean, elegant foundation for any design style.

Urban strength | Modern elegance

LOMA GREY
60x120

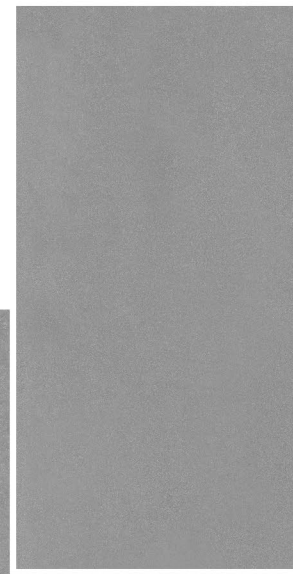

Loma | Urban strength, modern elegance

LOMA

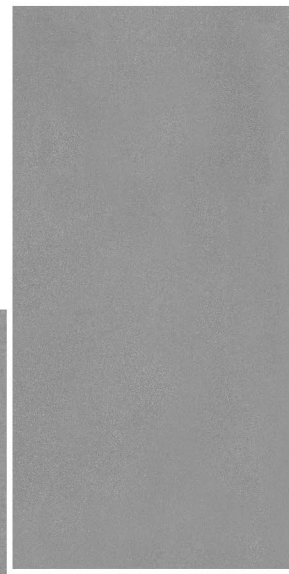

GREY

Super soft Matte | 6 Faces | R605

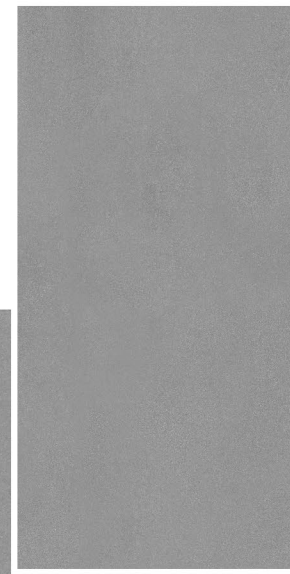

This design draws inspiration from the raw elegance of concrete surfaces, offering a contemporary grey tone with a subtle, refined texture. It evokes the essence of urban minimalism, making it a perfect choice for modern architectural and interior projects. Its balanced neutrality allows it to blend seamlessly with wood, glass, or metal, while providing durability and timeless appeal.

LOMA GREY

Suitable Applications

- Residential spaces: Living rooms, kitchens, lofts, and bathrooms with an industrial or modern aesthetic.
- Commercial projects: Offices, galleries, cafés, and retail spaces emphasizing contemporary urban style.
- Public areas: Hotels, cultural centers, and lobbies requiring resilient yet stylish surfaces.
- Architectural highlights: Accent walls, large-format flooring, and facades with a metropolitan character.

RIPENZO

Soft warmth | Timeless comfort

LOMA LIGHT GREIGE
60x120

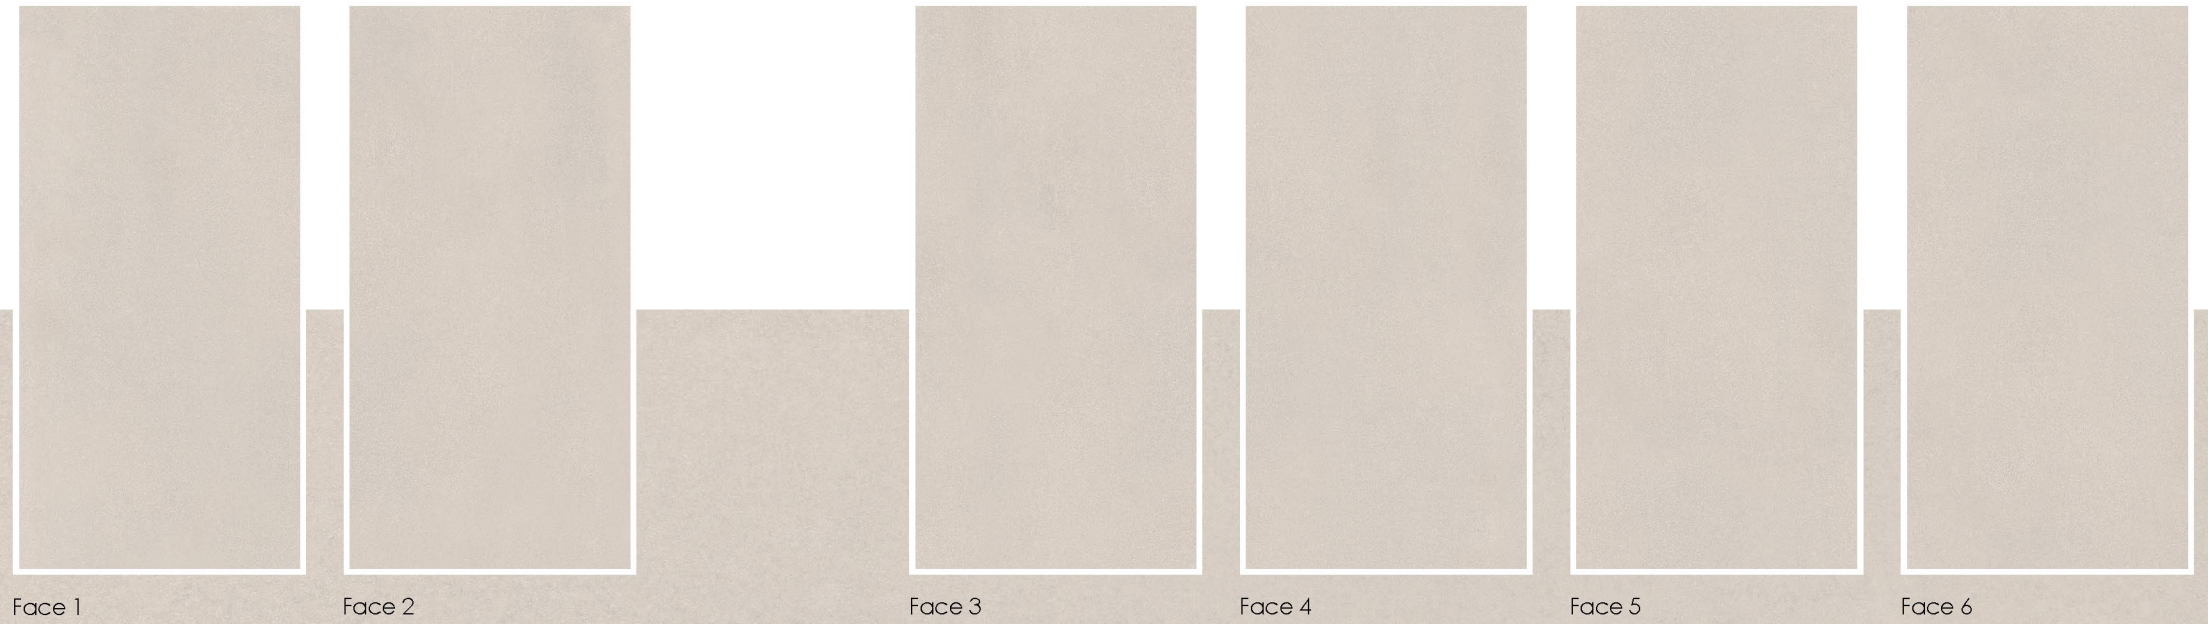

Loma | Soft warmth, timeless elegance

LOMA

LIGHT GREIGE

Super soft Matte | 6 Faces | R607

This design reflects the elegance of warm minimalism through its soft beige tone and subtle texture. It evokes a sense of serenity and comfort while maintaining a refined modern appeal. Its neutral character allows seamless integration with a wide variety of materials, from natural wood to metallic accents, making it a versatile choice for timeless interior and architectural projects.

RIPENZO

LOMA^{LIGHT GREIGE}

Suitable Applications

- Residential interiors: Bedrooms, living rooms, and kitchens where a warm and cozy atmosphere is desired.
- Commercial projects: Offices, retail boutiques, and restaurants, offering a neutral yet sophisticated foundation.
- Public areas: Hotel lobbies, corridors, and wellness spaces that emphasize relaxation and understated luxury.
- Architectural highlights: Flooring and wall cladding in projects aiming for warm elegance and enduring style.

RIPENZO

Stone essence | Modern harmony

MOON LIGHT GREIGE
60x120

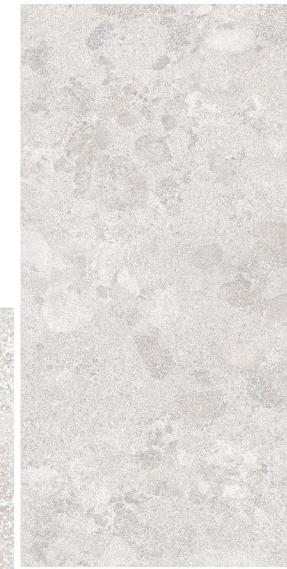

Moon | Stone essence, modern harmony

MOON

LIGHT GREIGE

Super soft Matte | 4 Faces | R610

This design reflects the raw beauty of natural stone, enriched with subtle mineral patterns and a soft grey palette. Its textured elegance and timeless aesthetic make it an ideal surface for creating spaces that combine strength with sophistication. The intricate detailing of the stone fragments delivers a sense of authenticity, while the neutral tones ensure perfect harmony with both contemporary and classic architectural styles.

Frozen Elegance

ELYRA WHITE
60x120

Elyra | The Brightness of Luxury

ELYRA^{WHITE}

Polished | 5 Faces | R701

Elyra White captures the pristine beauty of a frozen landscape. Unlike traditional soft marbles, this design features a sharp, crystalline structure reminiscent of natural quartzite. Its bright white background, intersected by delicate, fractured veins, reflects light beautifully, bringing a sense of clarity, spaciousness, and modern purity to any interior.

ELYRA WHITE

Suitable Applications

- Modern Kitchens: Ideal for countertops and backsplashes to create a clean, hygienic, and bright culinary space.
- Small Apartments: The bright white surface reflects light, making smaller rooms appear significantly larger and airier.
- Bathrooms & Wet Rooms: evokes a sense of cleanliness and spa-like freshness, perfect for walls and floors.
- Minimalist Offices: Provides a distraction-free, professional backdrop that enhances focus and lighting.
- Medical & Wellness Centers: Its pure look conveys hygiene and tranquility, suitable for clinics and beauty salons.

ELYRA BLUE
60x120

Elyra | Dive into Luxury

ELYRA BLUE

Polished | 5 Faces | R702

Inspired by the ethereal depths of glacial ice and the majestic currents of the ocean, Elyra Blue is a masterpiece of nature reimagined. Its crystalline structure, woven with dramatic grey and blue veins, creates a sense of movement and depth. The polished 60x120 surface reflects light like water, transforming any space into a serene, yet powerful sanctuary of modern luxury.

Nature's Gentle Glow

SIENNA CREAM
60x120

Sienna | Golden Tuch, Creamy Soul

SIENNA CREAM

Polished | 4 Faces | R703

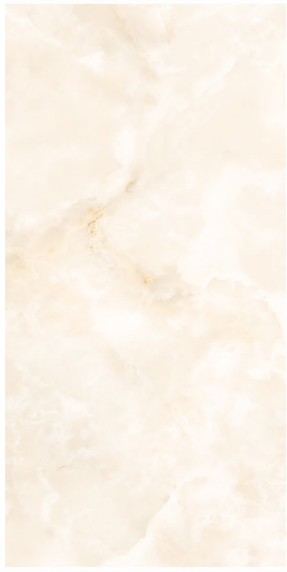

Sienna Cream embodies the gentle warmth of nature's embrace. Inspired by the soft translucency of onyx and the richness of classic cream marble, this 60x120 masterpiece features sweeping golden-beige veins on a luminous background. It radiates a cozy yet sophisticated aura, making it the perfect foundation for spaces that seek to balance modern luxury with inviting comfort.

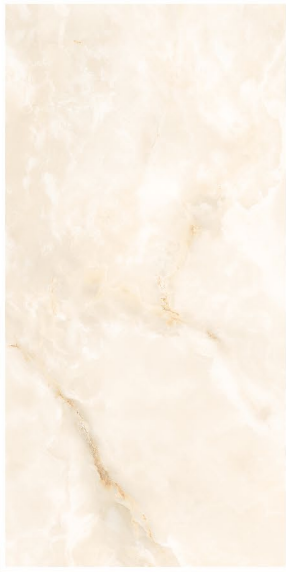

Face 1

Face 2

Face 3

Face 4

SIENNA CREAM

Suitable Applications

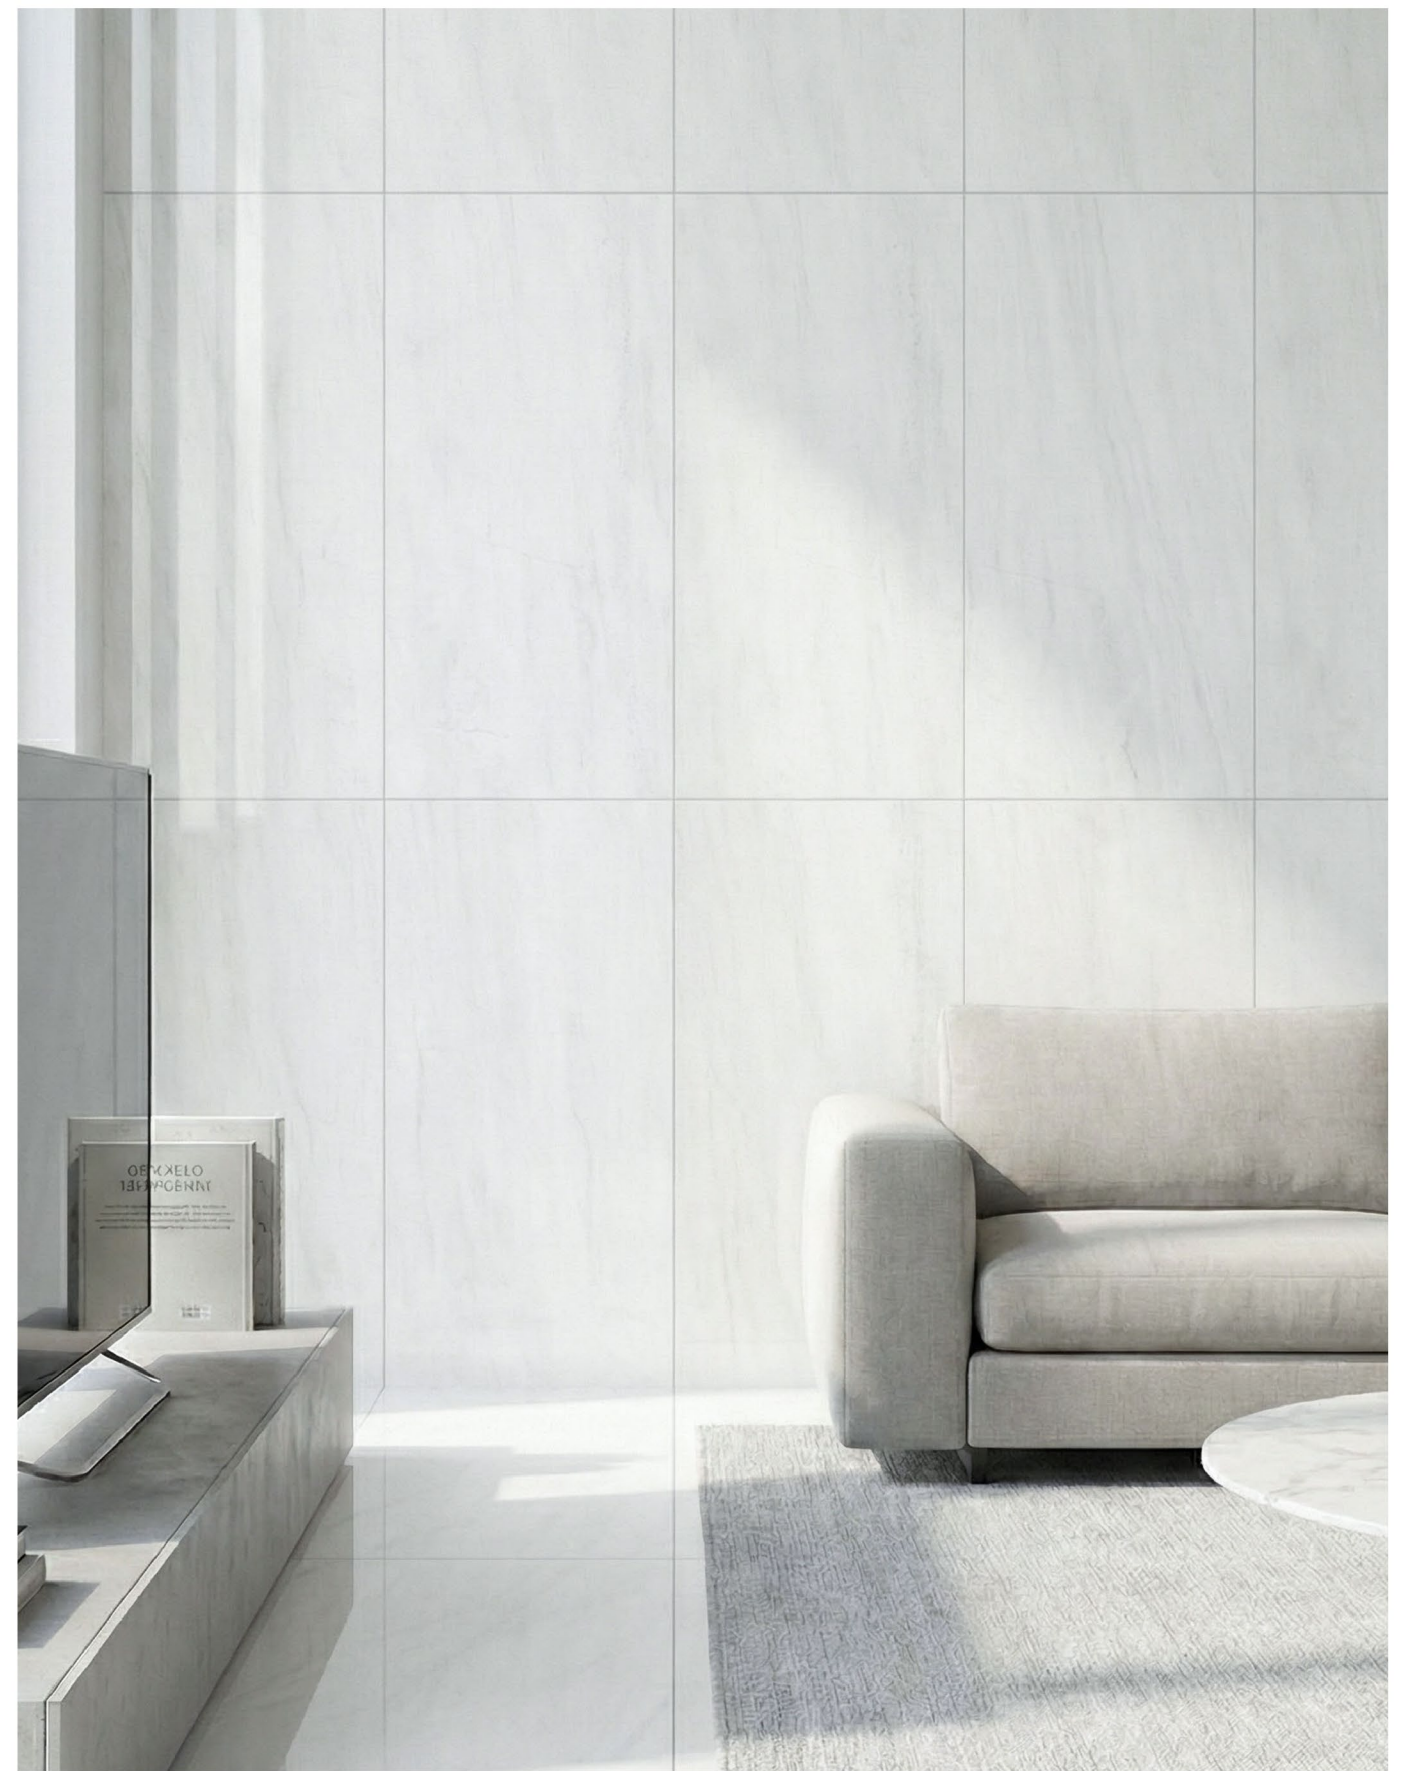

- Living Rooms & Halls: Creates a welcoming and spacious atmosphere, perfect for open-plan living areas.
- Classic Bathrooms: Adds a touch of warmth and spa-like relaxation, contrasting beautifully with gold or brass fixtures.
- Hotel Lobbies & Corridors: Ideal for hospitality settings where a warm, inviting first impression is crucial.
- Kitchen Flooring: A practical yet elegant choice that hides dust better than pure white, while keeping the space bright.
- Boutiques & Salons: Provides a neutral, chic background that highlights products without overpowering them.

Luxury Set in Stone

NIVARO WHITE
60x120

Nivaro | Reflecting Perfection

NIVARO

WHITE

Polished | 5 Faces | R704

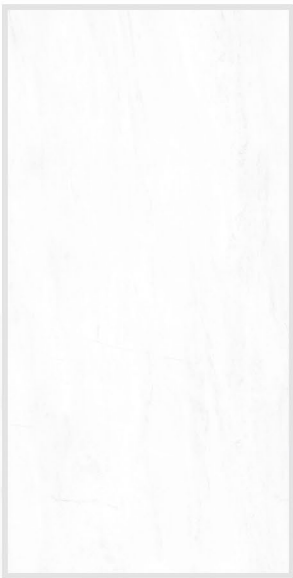

Embodying the essence of serenity, the Nivaro collection reinterprets the classic elegance of white marble. With its polished finish and subtle, flowing veins, this 60x120 design serves as a canvas of light, adding depth and grandeur to any interior. Nivaro is more than just a surface; it is a statement of purity that bridges the gap between modern minimalism and timeless luxury.

Face 1

Face 2

Face 3

Silence in motion carved in stone

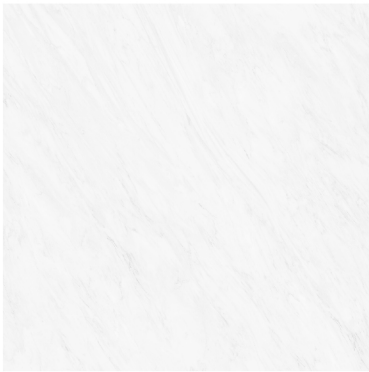

SILIN 100x100

Silin | Designing with the poetry of flow

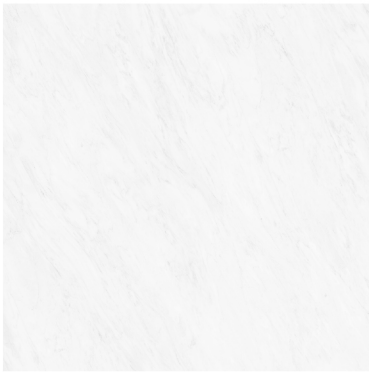

SILIN

Super soft Matte | 8 Faces | R101

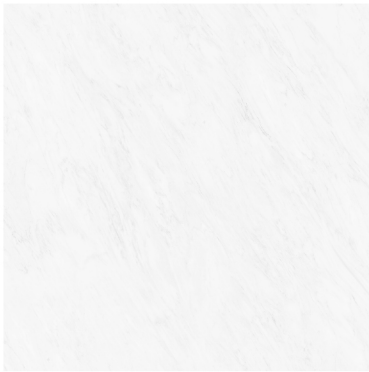

Velora speaks in the language of flow — marble that carries the softness of silk and the calm of light. Its elongated veins evoke movement, as if nature's hand painted silence across the surface. Designed for architects who seek elegance without noise, Velora transforms any space into a continuum of balance, luminosity, and timeless sophistication.

Where silence becomes architecture

LUMEN SILVER
100x100

Lumen | Designing light, shaping eternity

LUMEN

SILVER

Polished | 4 Faces | R201

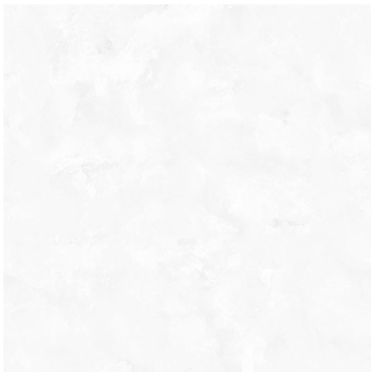

Lumen embodies the purity of white, merging marble-like depth with a serene minimalism. It creates spaces that transcend time, offering architects a material that speaks of silence, balance, and elegance. More than just a surface, Lumania is a poetic statement—a dialogue between light, texture, and architecture.

Where veins of stone become lines of design

SERENA SILVER
100x100

Serena | Pure space, timeless design

SERENA

SILVER

Polished | 3 Faces | R202

Serena is the celebration of marble's timeless artistry—intricate veins flowing like nature's handwriting across a luminous surface. Designed for those who seek elegance with character, Marvino transforms any space into a refined statement of architectural poetry. It's depth and detail bring authenticity, while its balance of clarity and richness creates a versatile harmony between tradition and contemporary design.

SERENA SILVER

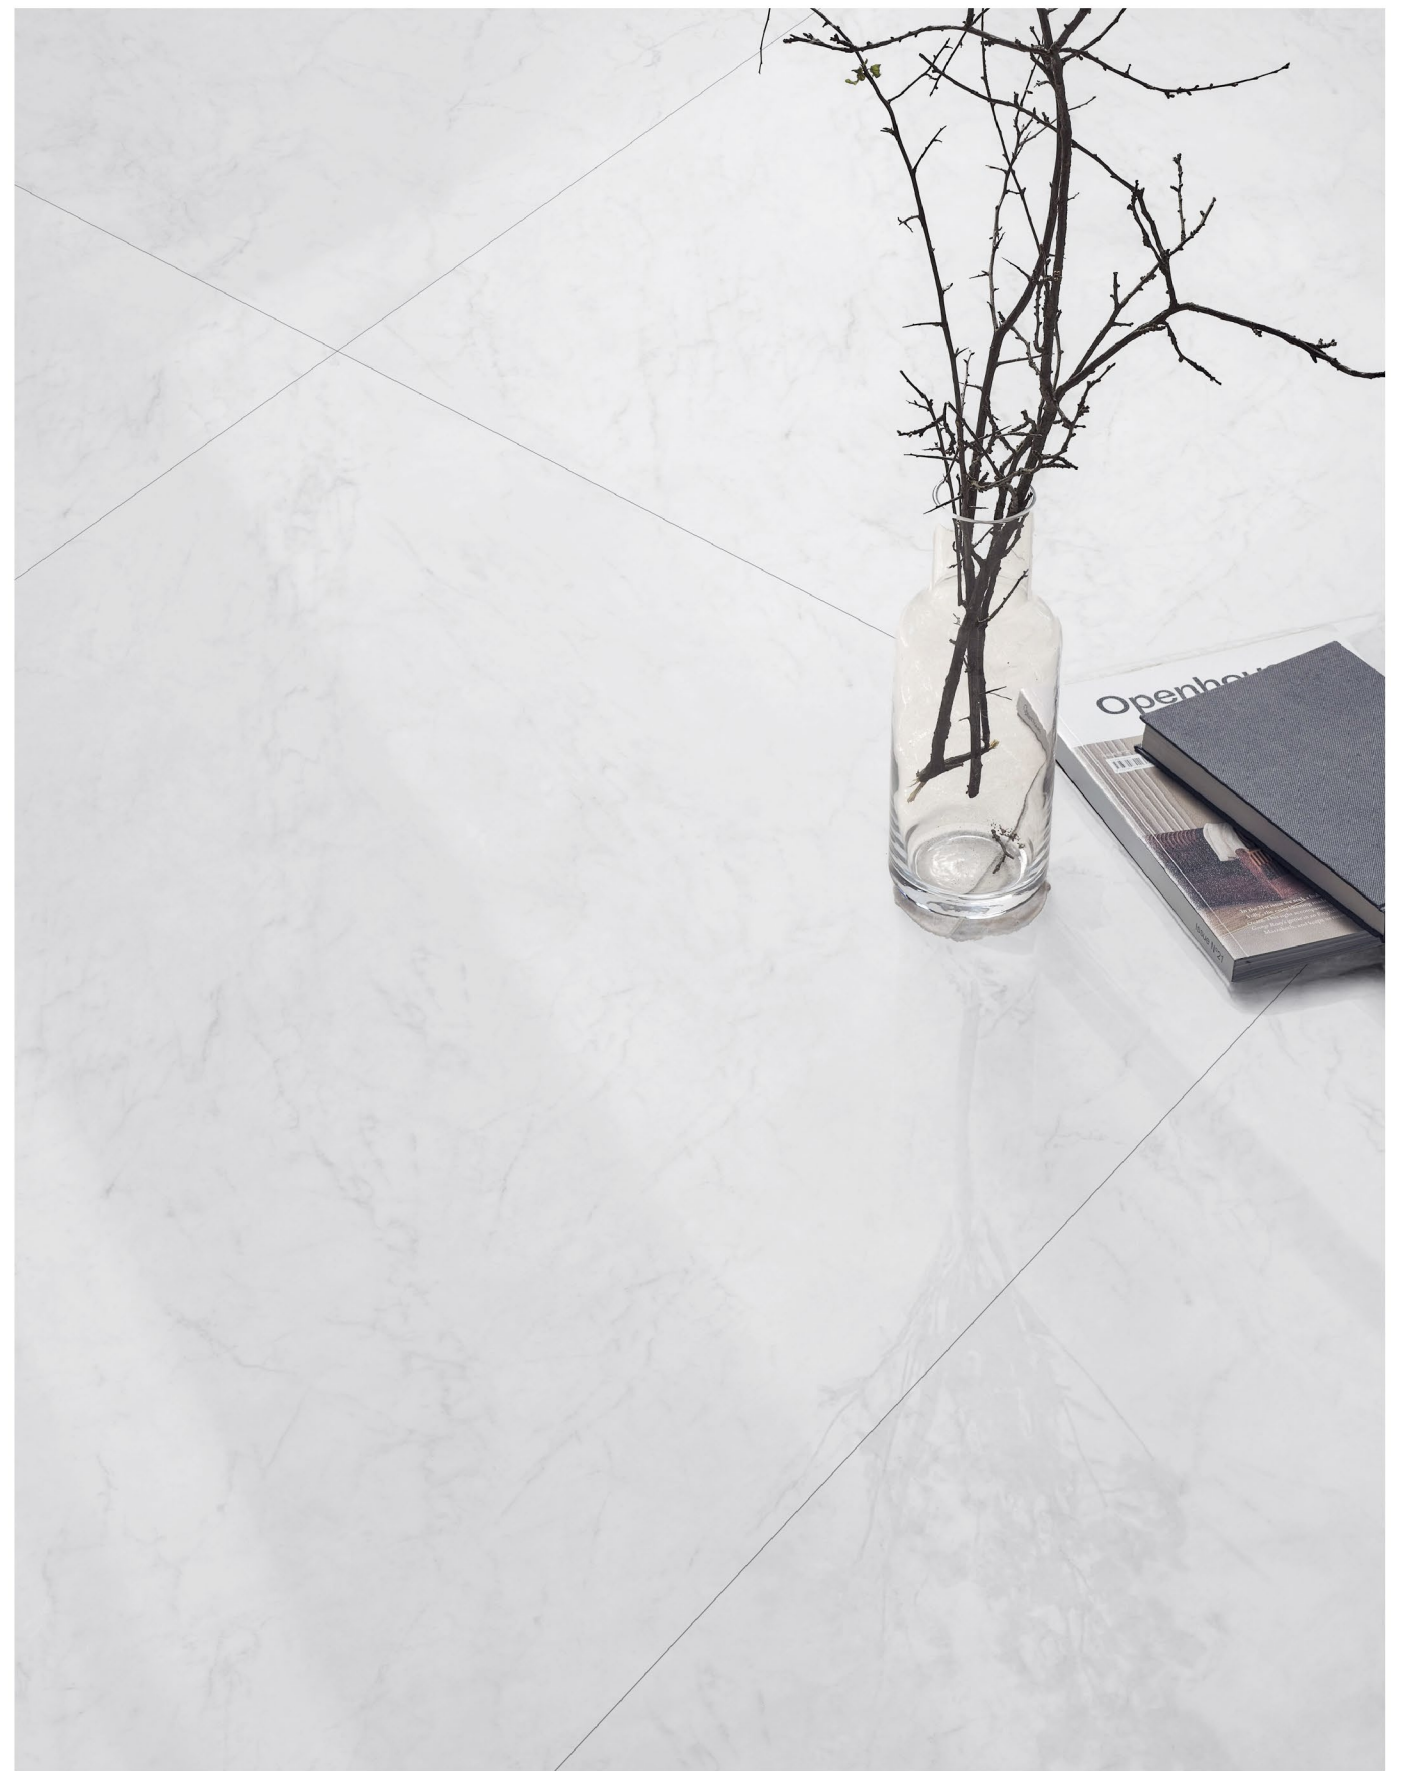

Suitable Applications

- Luxury Residences – Perfect for statement walls, grand foyers, and spa-inspired bathrooms.
- Corporate & Commercial Spaces – Adds prestige and timeless elegance to boardrooms, galleries, and flagship stores.
- Hospitality & Cultural Venues – Ideal for lobbies, restaurants, and event spaces seeking a blend of grandeur and intimacy.
- Architectural Features – Suitable for large-format cladding, floor designs, and focal elements that demand visual strength.

RIPENZO

Where veins of stone become lines of design

ALBA WHITE
100x100

Alba | Elegance carved in light and time

ALBA^{WHITE}

Polished | 6 Faces | R203

ALBA captures the essence of tranquility within marble. With delicate veining and a luminous white surface, it translates the language of silence into architecture. Serena is more than a surface—it is a design canvas that refines space with purity, balance, and timeless elegance. It brings subtle drama while preserving the calm clarity architects seek for modern, sophisticated environments.
